A Letter From Our CEO

Last week, we invited you to participate in a major national research study to learn about how arts, culture, and creativity fit into your life. If you’ve completed the survey already, please accept our sincere appreciation. If you haven’t yet completed the survey, we would love to hear from you.

As a reminder, we’ll be asking about how you’ve been spending your time during the pandemic, what you’re looking forward to when things get back to “normal,” and how arts or culture organization can help you, your family, and your community. The research is being done on behalf of nonprofit organizations around the country...including Global Paint for Charity.

The questions take about 15 minutes to answer, and they’re about how you’ve been spending your time during the pandemic, what kinds of things you’re doing online, what you’re looking forward to when things get back to “normal,” and how arts or culture organizations can help you, your family, and your community. The survey is available in English, Spanish, Chinese, Tagalog, Vietnamese, Khmer, and Portuguese and is being conducted by independent researchers on behalf of nonprofit organizations and foundations around the country.

Please complete the survey by my birthday eve, Sunday, April 25, to make sure your voice is heard. As a small token of appreciation, you’ll be entered to win one of twenty-five $100 VISA gift cards. All your responses will be kept strictly anonymous.

Click here to begin

Please note: You may have received this survey invitation from more than one organization. If so, please only take the survey once.

Questions? The research team has posted information and FAQs for you here: http://publicenagementcovidstudy.org

Many thanks for being part of this special research, and stay well.

Best Regards

Rony Delgarde

Join Us in Celebrating Earth Day 2021

Join The Global Paint for Charity, Gwinnett Clean & Beautiful, and Gwinnett County Solid Waste Division & Partners in celebration of 2021 Earth Day at the Gwinnett County Fairgrounds, 2405 Sugarloaf Pkwy Lawrenceville, GA 30045, on Saturday, April 24th, between 9 am and 12 pm. You will have the opportunity to drop off items that are usually more difficult to recycle, such as electronics, Latex, oil-based paint, and tires. Paper shredding will also be available.
This event is free to the Gwinnett County residents. We expect to recycle over 6000 gallons of paint in just three hours. The COVID-19 pandemic caused many people to renovate their homes, resulting in tons of leftover paints in their basement and garage. Have you done any renovations to your home recently? Do you have leftover latex paints from your quarantine projects that you can’t get rid of? (huff!! huff!!) Well, we have some good news for you. Celebrate 2021 Earth Day by bringing your paint for recycling to support our paint inventory for local community beautification projects and our paint donation programs worldwide. Donate your leftover paints and help us change lives.

**Here are some essential things to remember before you come:**
- Oil-based and Latex paint will be accepted and limited to 10 gallons per vehicle (Cans must contain 25% wet paint). Make sure you seal the lid of the containers (buckets and cans) tightly.
- Electronics ($15 cash fee per monitor or TV; $5 cash fee per printer)
- Paper (shredding up to 5 copier boxes)
- Tires are limited to eight tires per vehicle; no dealer tires

**General COVID19 Precautions:**
To ensure the safety of our attendees, partners, staff, and volunteers, there will be certain precautions in place to help navigate the COVID19 social distancing guidelines:
- All attendees are encouraged to wear masks.
- All attendees should remain in their vehicle at all times
- Items and materials to be recycled should be placed in disposable containers or boxes
- Containers (Buckets or Cans of paint) or boxes of quarts should be placed in the trunks or backs of vehicles where they will be removed by Global Paint representatives and will not be returned.

This level of preparedness and awareness will enable a safe and successful event for everyone. For more information, please call the Solid Waste Call Center at 770.822.7141 or Global Paint for Charity at 855-853-7772.

Earth Day is an annual event celebrated around the world in April to demonstrate support for environmental protection. First celebrated in 1970, it now includes events coordinated globally by the Earth Day Network in more than 193 countries. It may be hard to imagine that before 1970, a factory could spew black clouds of toxic smoke into the air or dump tons of hazardous and toxic waste into landfills, and that was perfectly legal. There was no Clean Air Act, no U.S. Environmental Protection Agency (EPA), no Clean Water Act, and most importantly, there were no legal or regulatory guidelines and tools to protect our environment. They could not be taken to court to stop illegal dumping.

Recycling is good for the earth, so in honor of the 2021 Earth Day event, Global Paint and Gwinnett Clean & Beautiful encourage you to protect our planet and not abuse it. Please check our TAKE ACTION page for information about organizing a Paint Drive in your community, or to learn more, visit www.globalpaints.org -TAKE ACTION!!
Volunteer opportunities: Registration is encouraged.

If you are looking for some community service hours or an exciting activity to make a difference on Earth Day this year, this is the place to be!! While the event will be from 9 am-noon, volunteers are needed from 7:30 am to 1 pm to help set-up and unload the vehicles and from 1:00 pm to 4:00 pm to help unload the paint donation at Global Paint’s Center. If you arrive later than 8 am, you will not be able to volunteer, so if you want to help with this opportunity, please arrive early. The minimum commitment is 5 hours, and all volunteers will receive a free Earth Day T-shirt, PPE, masks, gloves, and a safety vest. To sign up as a volunteer for this event, please visit Volunteer – Global Paint for Charity or click https://www.globalpaints.org/volunteer/ or http://www.volunteerwinnet.net/.

Global Paint for Charity is Hiring for Board Positions

ATLANTA - Global Paint for Charity is seeking experienced and influential professionals with a commitment to grow and expand the impact of the organization. Our ideal board candidate is a solution-focused person and a doer! Global Paint for Charity is an award-winning organization that recycles latex paint and redistributes it to communities in need to help make their spaces more beautiful and colorful.
The board ensures that the organization is fiscally responsible, accountable, and sustainable. In addition to policy and governance, the future board members will leverage their network and contacts to further the organization’s mission and raise funds for the organization’s operating budget.

Time commitments and Responsibilities: The candidate must understand how much time it takes to serve on the Global Paint for Charity, Inc. board. Besides regular quarterly meetings, board members are expected to participate in one or two committees or projects and participate in various events and initiatives in the communities.

Attend quarterly board meetings (3rd Friday of the month). The Board of Directors meets in person quarterly, but due to COVID-19, the board will be meeting virtually. Attend and lead actively participate in committee meetings/calls or lead specific projects.

Term: 2 years

Board Dues: Board Members are not required to pay annual dues but should be responsible for identifying and approaching potential donors, responsible for fund development planning, and this includes grants, individual contributions, foundation, corporate giving, special events, membership, capital campaigns, service fees, and in-kind donations. They are also responsible for identifying and approaching potential donors.

Qualifications
Expertise in one or more of the following industries:
- Legal, Government, and Corporate Relations
- Human Resources, Sales, Marketing and Public Relations, Finance (CPA or Banking)
- BUSINESS Development, Event Planning, Fundraising/Grant Writing
- IT, Logistics, Supply Chain Operations (Import/Export), and (Process Management).
- Environment and Sustainability, Waste Management
- Board experience preferred not required
- Direct Leadership experience preferred
- Prior experience in the nonprofit environment a plus

Additional Information Time Commitment: 5-10 hours a week. Future Board members will get to establish their sub-committees that will handle a specific project or purpose.

Global Paint is an equal opportunity organization. GPC does not discriminate on the basis of race/color/religion/sex/national origin/veteran/disability/age/sexual orientation/gender identity or any other characteristic protected by law.

Additional Information

Despite Covid-19: 2020, America Recycles Day Was Huge Success!

The year 2020 was a trying year for everyone. The outbreak of the Covid-19 virus forced us to change and alter our lifestyles to ensure our safety and the safety of others. Despite our continued combat against the pandemic, Global Paint continues to work with other organizations like Gwinnett Clean & Beautiful to provide the local residents with the opportunity to come out and do something good for their community.

According to GC&B’s Executive Director, Schelly Marlatt, Gwinnett County’s 2020 ARD event was huge. The organization saw no negative impact on the event’s turn-out rate due to Covid-19. In fact, Schelly stated that “people seemed very gracious that we

Meet the Newest Members of our Family

Social Media Coordinator
Sudipta Pramanik earned a MBA in marketing and has almost 7+ years of experience. She has worked with several well-known MNCs both in Asia and in the US, including a few fortune 500 companies as a part of the marketing team. Her area of specialization includes Social media content planning and development, technical or web content writing, also client servicing. Currently, she is working as a full-time freelancer for clients from different industries especially on marketing projects. When it comes to giving back to society, Sudipta believes skilled labor is something she could contribute to, the best. She is excited to be a part of Global Paint for Charity & hoping to help in this noble cause which is bringing colors to people's life.

Advisory Board Member
Sarah Levitt graduated from Emory University's Goizueta Business School with concentrations in Finance and Strategy and Management Consulting. Her background is in corporate restructuring. She started her career at FTI Consulting and is now an Associate at Alvarez & Marsal. Sarah has worked with companies across various industries with revenues ranging from $300M to $4B.

Sarah is a vegan, yogi, and avid reader. She strives to practice ahimsa, the yogic principle meaning non harm, toward humans, animals, and the Earth. Sarah is excited to join the Global Paint for Charity team to help encourage sustainability and contribute to an organization that improves the lives of those in need.

PR & MARKETING COORDINATOR
Blanca Tavera graduated from the University of Georgia with a Bachelor of Arts in Advertising and Communication Studies. She was born in Mexico, moved to the US in 2003, and has been living in Georgia ever since.

She commonly spends her free time reading, hanging out with her family, or having Netflix watch parties with friends. She is working as the PR and Marketing Coordinator for Global Paint, and her main goal as coordinator is to raise brand awareness and promote public interaction.

She strongly believes that good communication is the foundation of a good relationship, personal or professional. Colors are an essential component of success, art, and culture; and much like Global Paint, she feels that a fresh coat of paint can impact any individual's life in a positive and powerful way. She looks forward to the opportunity that allows her to portray that.

The passion to serve the community as his only capital, see how Rony Delgarde, an award-winning social entrepreneur and the founder and CEO of Global Paint for Charity set out on his journey to transform the lives with one gallon of paint at a time while he shares his experiences and vision with Shoutout Atlanta.

How is Global Paint for Charity different from other paint recycling programs?

Global Paint for Charity is one of the few paint recycling programs that offer a win-win-win solution. The donors win by finding an easy solution to dispose of their unused paint and obtain a tax deduction of fair market value for their paint; the paint recipients receive a resource they could not otherwise afford; the environment wins through reduced pollution, and create beautiful and colorful communities. If you have leftover paint or discontinued products that you are thinking of getting rid of, consider donating them to Global Paint for Charity to continue our Mission. Your small contribution can bring changes to your community and create a lasting impact on our environment through recycling. The donations (paint/financial) are used thoughtfully and effectively. They help cover day-to-day operational costs from labor & collection, shipping, and distribution while making the paint available to the people who need it the most.
